SOMANHIS

MANCHESTER HIGH SCHOOL

MANCHESTER, CONN.

VOLUME XXVI

Foreword . . . . .

There comes a time when, in the course of human events, it becomes necessary for a committee to give full faith and credit to those who deserve it. We, therefore, the members of the SOMANHIS staff, do hereby record school activities, notes of the Class of 1941A, the last mid-year class to graduate from Manchester High School, and events pertaining to the class of 1941B, thereby giving full recognition and a lasting journal of their high school years.

. . . . . Dedication

We, the Classes of 1941A and 1941B, in order to show our genuine appreciation and deepest gratitude to a member of our faculty who, through his keen interest in helping to train citizens of America and for his sincere efforts in maintaining high standards for our school, do pledge and dedicate this SOMANHIS of Manchester High School to our friend and leader, Mr. Wilfred J. Clarke.

For School and Country . . . . .

Our ship is launched on heavy seas,
With troubles numerous as the sand;
But she's built strong, we'll ride the storm,
And steer her with a steady hand.

Behind we leave a challenge great,
For you to match what we have done;
On field, on court, in class, and club
The honor, glory, we have won.

When failure, fame, or trials are ours,
Though scattered o'er the earth we be,
In reverent thought we'll see again
These portals of Democracy.

MARTIN HANSEN, '41B.

CLASS SONG OF 1941A

Our high school days are ended,
But we have memories that we will all hold
tender throughout the coming years.
To teachers and our classmates,
We ever will be true, and now it's time to
go our ways,
We say, "May God bless you."
We'll ever guard thy honor
And loud thy praises sing;
Where ever we shall gather,
Manchester High shall ring!

CLASS SONG 1941B

Dear Schoolmates, we are soon to leave you,
And from these hallowed halls depart,
With memories we'll carry with us,
And always be close to our heart.

We've spent four splendid years together,
Happy as our dreams came true,
Accept this as our parting prayer,
May God's blessings be with you.

CHORUS

The Class of '41 is eager,
Our strength and our support to give,
In our work and in our pleasures,
That love for M. H. S. will live,
Thanks for lessons true imparted,
Thanks for guidance on our way,
So Hail to thee our Alma Mater,
Prophet of a better day.

. . . . . High School World

The High School *World* this year marks its eighth year of continuous service to the students of Manchester High School under the direction of Miss Helen J. Estes, faculty adviser. This publication, appearing in the Manchester Evening *Herald* every Thursday evening, not only reports daily news happenings, but has also provided a substantial record of the school's activities for the past eight years.

The *World* has this year reported: three student assemblies, the results of all athletic games, the casts and productions of the drama clubs, the distribution of Christmas baskets, the spreading of the flu epidemic, installation of the traffic light, the effect of the conscription on the high school, the nominative presidential elections, survey of Alumni positions, the band conclave held in Manchester, Christmas Concert held by the Choirs, the carol singing held by the three buildings, the reorganization of the cheer leaders, the beginning of the annual safety course, and covered and dedicated a page to Educational Week.

The members of the *World* attended the Connecticut Scholastic Press Convention held at Hartford in November. A departure from the ordinary was the purchase of hats to represent the club. An initiation party was held for the staff at the Y. M. C. A. in March.

A CAPPELLA NO. I

A CAPPELLA NO. II

Musical Organizations . . . . .

The choirs, band, and orchestra have completed a most successful season under the direction of Mr. G. Albert Pearson.

The band conclave, held in December, 1940, started the music season in full swing. Bands from all over the state participated in this conclave held in our assembly hall for a large, appreciative audience.

The annual Christmas Concert, in which both choirs and orchestra took part, proved a big success. The first choir and the orchestra participated in the mid-year Commencement exercises held in the assembly hall in January.

The first choir again appeared before the Connecticut Schoolmasters' Association in the assembly hall and was well received. On April 25, the first choir took part in the Connecticut Festival and Contest at Winsted.

Both choirs and the orchestra presented the Annual High School Concert in the assembly hall for a responsive audience on April 30.

May 16 proved to be one of the most anticipated and enjoyable events of the season. The choirs and the orchestra took part in the Central Connecticut Interscholastic League Festival at the Meriden High School.

The usual Outdoor Festival, with both choirs and orchestra, assisted by the seventh and eighth grade pupils and orchestra, was held May 27, in Educational Square.

The first choir completed its season with an appearance at the graduation of the 1941 Class on Tuesday, June 10.

The newly-formed conducting class, also under the direction of G. Albert Pearson, proved to be a success with members directing the choirs in the concerts.

Sock and Buskin . . . . .

Sock and Buskin, Manchester High's junior-senior dramatic club, has won fame and honors during the year under the leadership of Miss Helen R. Page. The club has been fortunate in discovering a wealth of talent among its hard working members.

"Spring Dance," a delightful, sophisticated comedy in three acts by Philip Barry was presented to the public on Friday, the thirteenth of December. Despite the superstition surrounding this date, the play was enthusiastically accepted by the audience.

Throughout the year the club presented various one act plays. "New School for Wives," the most popular of these, was presented several times by popular demand. In recognition of National Drama Week the club presented "Submerged," a gripping drama of the sea, to the student body. Other plays presented were "The Lord's Prayer," "Ladies in Linen," and "Mechanical Jane." The last two plays were directed by students.

Members of Sock and Buskin were fully repaid for their efforts when the judges placed them second in the Connecticut Drama Days' Final Contest held at the Danbury Teachers' College on April 29. This entitled them, with Greenwich, to represent Connecticut at the New England Festival in Portland, Maine on April 25-26.

The newly-formed apprentice group of Sock and Buskin enjoyed a successful year under the leadership of Miss Lois Parker. Among its fine productions were "Sauce for the Goslings," "Bimbo the Pirate," "Over the Teacups," "Sister Sue," and "Uncle Bob's Bride," directed by a student. Three members of this group, who had proved themselves to be hard workers, were admitted to Sock and Buskin in February.

A fitting climax to the year's activities was the annual initiatory dance held at the Country Club.

"SPRING DANCE"

PAINT AND POWDER

Paint and Powder . . . . .

Paint and Powder, the Freshman and Sophomore dramatic club, had a very successful year under the direction of Miss Isabel Worth and Miss Anna McGuire.

Regular meetings were held every other Friday for practice in presenting plays and to carry on the business of the club. In addition several special performances were given before other audiences. A party for the initiation of new members was held in October. Everyone enjoyed games, stunts, and refreshments, and the officers presented a one-act play, "The Ghost Hunters."

In December the club gave a performance of "Sleepy" for Sock and Buskin and the apprentice group. "The Pampered Darling" was given for the Commercial Club in the fall. Some of the members gave a performance of "A Midnight Fantasy" and "Sleepy" for the Girls' Friendly Society of Saint Mary's Church on February 25.

For the club's annual public performance four one-act plays, "The Knave of Hearts," "Solemn Pride," "The Contest Play," and "Buddy," were successfully presented before a large audience on March 21.

The season closed in June with a most enjoyable picnic.

GIRL RESERVES

. . . . . Girl Reserves

The Girl Reserves have had a particularly active and interesting season. Meetings have been held bi-weekly at the Center Church House. The membership of seventy-five from the two upper classes was under the direction of Miss Marion Casey and Miss Georgia Greenaway, faculty members, and Miss Vera MacCracken of the Hartford County Y. W. C. A.

The club program was varied by interesting talks given by well known speakers. One joint meeting was held with a Hartford Club. The girls worked for the Red Cross and took part in activities at the Y. W. C. A.

Delegates have been sent to conferences in Hartford, New Britain, and New Haven, and a representative was sent to the summer conference.

The club held its usual Halloween initiation party, Kiddies' Christmas Party, banquet, and helped the children at Newington at Easter. The club also jointly sponsored a semi-formal dance with the Hi-Y. These activities completed a successful year of service, education, and entertainment.

Student Council . . . . .

Manchester Student Council is composed of elected representatives from each home room. Through this democratic way of government the student body is given an opportunity to share in the responsibilities and privileges of an active citizenship.

The council is under the direction of Mrs. Marguerite Campbell. This year, as in former years, the Student Council has had charge of the S. A. A. membership drive, the Christmas basket project, the sale of Christmas Seals, The March of Dimes, and the voting of awards and letters to students whom advisers and coaches of clubs and sports have recommended.

The council sponsored three socials this year which were very successful. The money from these socials went into the Student Fund and for the purchase of new records.

The Student Council had charge of the arrangement of the High School Prom and collaborated with the Library Club in a Tag Day for the purchase of new books for the school library.

Since mid-year promotions have been abandoned the student body has amended the constitution of the Student Council so that there will be only one election of home room representatives each year.

. . . . . Hi-Y

The Hi-Y motto "To create and maintain throughout the school and community, high standards of Christian Character" has again this year, as in previous years been followed by the members of the club. Many enjoyable meetings were held this year under the leadership and supervision of Mr. George Potterton.

Contributions towards the Red Cross, the Young Men's Christian Association, and the Christmas Seal Drive were also on the program of the Hi-Y.

One of the most interesting meetings enjoyed by all was a talk and movies by Mr. Van Bibbon from the University of Connecticut. Each member invited a teacher as his guest for this entertainment.

Enthusiasm and cooperation of the members with the Girl Reserves made the combined Hi-Y-Girl Reserves dance, held in April, a success

The Hi-Y concession at the Armory during the basketball season turned in its best year.

The Hi-Y concluded an interesting and successful year with the annual Woodstock initiation of new members.

JUNIOR-SENIOR FRENCH CLUB

French Clubs . . . . .

The purpose of the three French Clubs, under the direction of Miss Jeanne Low, Miss Beulah Todd, and Miss Doris Kibbe, is to gain a better knowledge of France, its language, people, and customs. Meetings are held twice a month during the activity period.

In conducting the meetings, French was spoken as much as possible. French games and charades were played, and short French plays were presented. The singing of French songs was a favorite pastime, too. This year, special emphasis was laid upon French influence in North America. Topics dealing with Canadian people and customs were given by members.

At a combined meeting of the clubs, Miss Low showed some movies which she took while she was in France. Another combined meeting of the clubs was for a Christmas party held in the assembly hall.

In these trying times, when international peace and friendship among nations are so important, the work of clubs like our own French Clubs is very significant. Members feel that they have gained much as well as enjoyed themselves at the meetings.

Debating Club . . . . .

The Debating Club enjoyed a diversified and fairly successful season. In November they took part in a "clinic" debate session at Hartford Public High School. In January they lost a hair-line decision to West Hartford in the finals of the C. C. I. L. championship. Debates were won from East Hartford and lost by the second team to Plainville in the preparation debates for the state championships.

Northampton, New England's champions of 1940, defeated Manchester's negative on March 12, in an excellent debate.

On March 14, Manchester's affirmative team defeated Northampton's negative at Northampton. The national question for debate was: "Resolved: That the power of the Federal government should be increased."

In the opinion of the coaches, Mr. Hartwell and Mr. Dougherty, the squad showed excellent development in forensic ability throughout the whole year.

. . . . . Library Club

The Library Club has completed its third year under the leadership of Miss Harriet Fox. Some of its activities are becoming traditional. During "Book Week" a contest was held for the third time. The winner had the honor of presenting to the library the book, "Sword of Roland Arnot" by Hewes.

A "Tag Day" was held, and twenty dollars was collected. The student body chose the books to be bought with this money from a publisher's display.

Several clubs made exhibits for the library bulletin board. This has been done to create a greater interest in the library as a vital part of school life. The members of the club were able to be of help to the entire school by assisting Miss Fox with library work during their free periods.

The club also enjoyed a number of social get-togethers. Among these was a Halloween party at which the new members were initiated. A Christmas party and spring party were also held. The entire club attended a tea at the Whiton Memorial Library. A backstage tour of the library provided much information and enjoyment.

Home Economics Club . . . . .

Under the leadership of Miss Charlotte Gillette and Mrs. Esther Laubin, who succeeded Miss Dorothy Anderson in February, the Home Economics club completed an enjoyable year.

The aim of the club this year was to improve one's appearance, consider health, analyze behavior and develop personality.

The program throughout the year consisted of several interesting speakers: Miss Florence Leeman gave an interesting talk about make-up, while demonstrating the correct way to apply it on one of the members of the club; Mr. Darwin Wendt spoke on "Retailing in a Test Tube." He made the subject interesting by showing microscopic photographs of various samples of silk cloth. He showed the group different brands of hosiery explaining the advantages and disadvantages derived from them; Sock and Buskin added to the entertainment of the club by giving a play.

A highlight of the year was the Hallowe'en party. The members played games and served refreshments. The members of the club feel that they have accomplished much in carrying out their plans.

CHESS CLUB

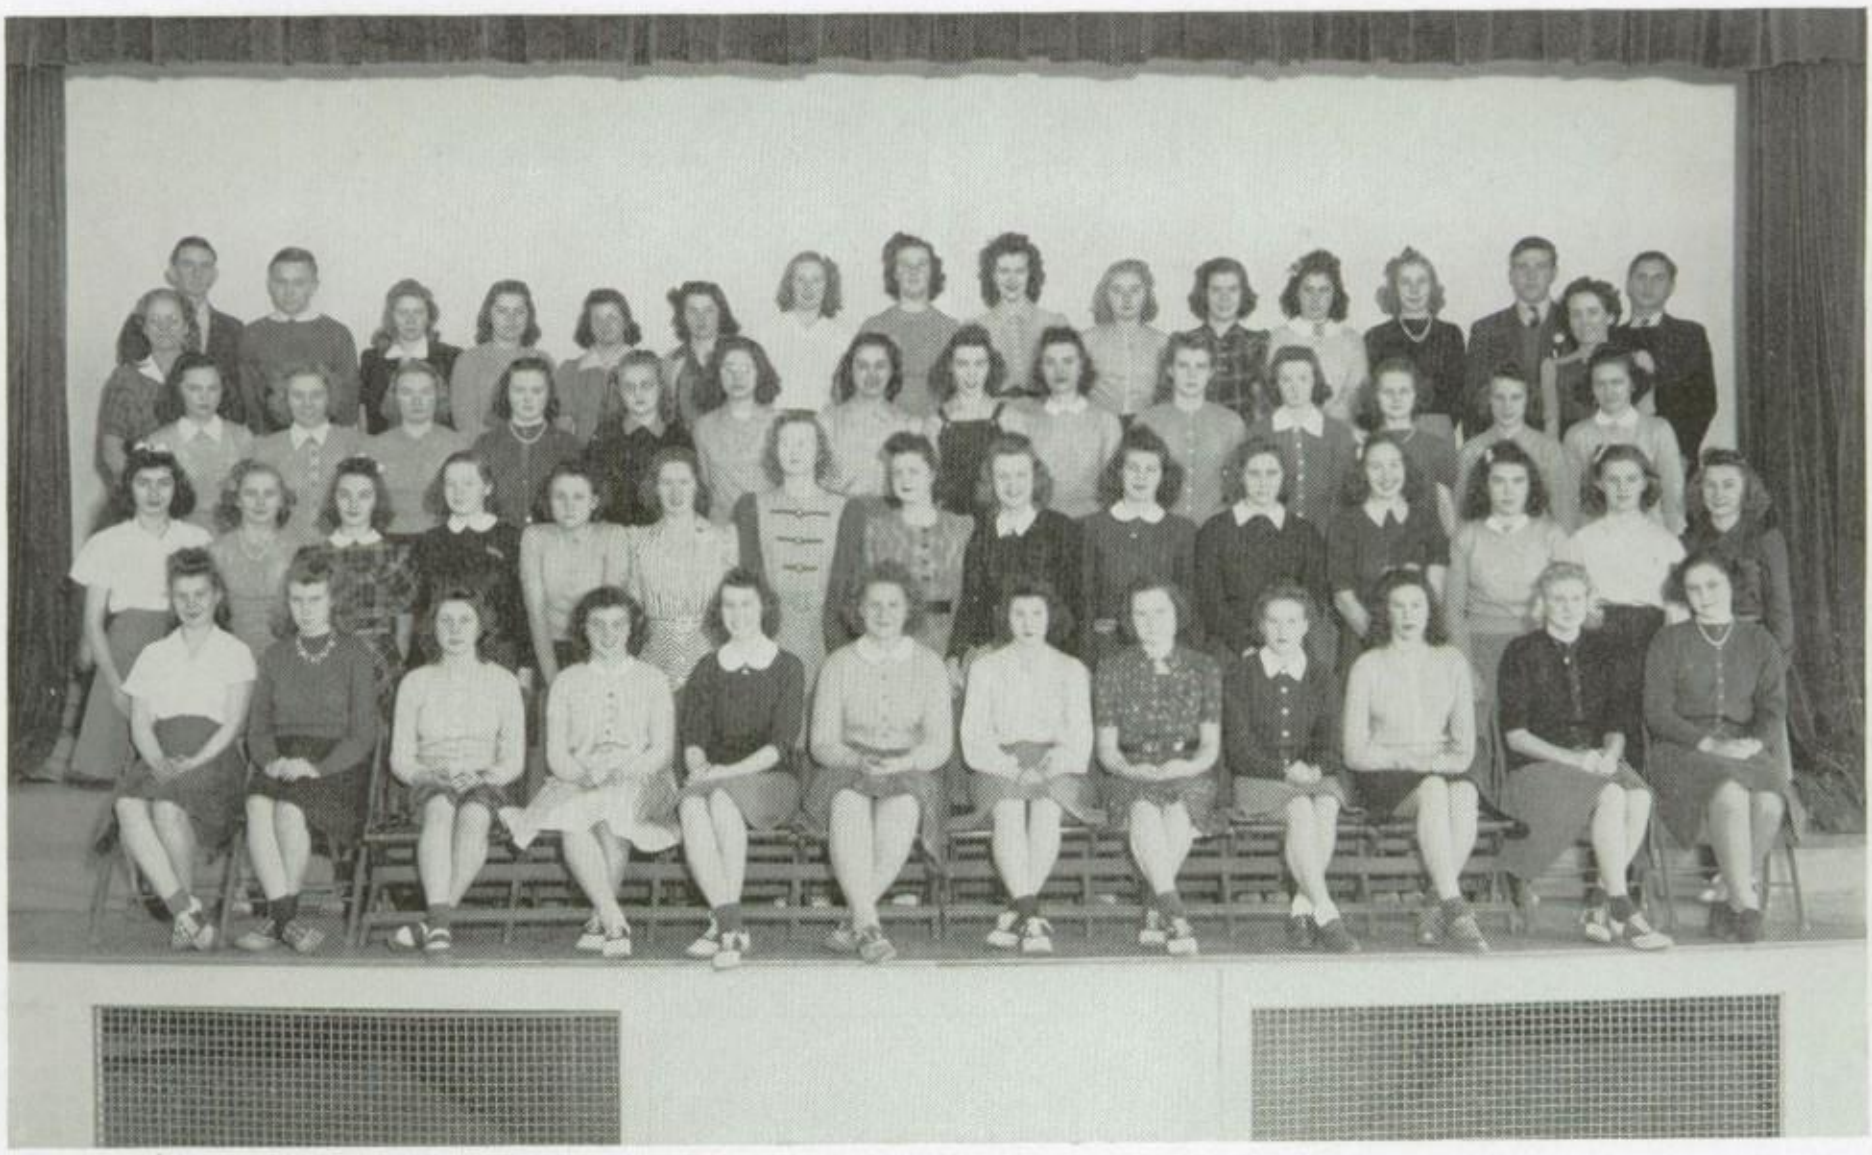
First Row: B. Clay, N. Andisio, O. Andrews, D. Dougan, V. Allen.
Second Row: Mr. Lynch.
Third Row: E. Weden, J. Converse, D. Stidhan, R. Earn, H. Major.

. . . . . Chess Club

The Chess Club has completed its second successful year at Manchester High School. The club was advised by Mr. Edward Lynch the first part of the year, but after his induction into the army the club was continued under the leadership of Mr. Clarence Eichman.

The meetings were held every Thursday afternoon and Friday morning, during activity period. At the meetings the members played chess and discussed different methods of attack with opening moves studied at length.

In November, Manchester High School was host at a chess meet in which the Weaver players were victorious, winning three out of five games. A return match with Weaver was planned as were meets with Hartford Public High School and Loomis Institute. In addition to its regular games next year the club has tentative plans for meets with high schools in Providence, Rhode Island.



FLYING FINGERS AND SHORTHAND CLUBS

Commercial Clubs . . . . .

This year the Freshman-Sophomore Commercial Club under the direction of Mrs. Nellie Warren and Mr. Herbert Milbury; the Junior-Senior Commercial Club under the leadership of Miss Georgia Greenaway and Miss Florence Meacham; "The Flying Fingers Club" led by Miss Avis Kellogg; and the Shorthand Club directed by Miss Agnes Forman have all completed a successful year.

Some of the highlights of the Junior-Senior Commercial Club were: a talk by Miss Florence Harworth on the Underwood Typewriter, a talk by Miss Ann Postma on Holland, travel talks by Mr. Charles Hurlburt and Miss Catherine Putnam, and an entertaining play presented by the Sock and Buskin Apprentice Group.

The typing club decided to have a special name this year, and after several suggestions "The Flying Fingers Club" was decided upon. Regular meetings were spent in typing a fifteen-minute speed test, and a contest was held each marking period for the highest speed, awarding a pin for the winner and certificates for the next five contestants. A Christmas party was held jointly with the Shorthand Club. Later in the year a Valentine party proved very entertaining.

For the first half of the year the Shorthand Club met twice monthly and spent their meetings in spelling bees, learning insurance terms, and taking dictation from Mr. Russell Wright and Miss Agnes Forman. At the half year it changed its meetings to every Thursday morning. A letter was dictated and transcribed at each meeting and checked for accuracy.

The Freshman-Sophomore Commercial Club held its meetings on the first and third Tuesdays of every month in the Barnard Auditorium. They also found their meetings entertaining and educational. Their programs were made up of students who participated in spelling bees, true and false quizzes, musical programs, and plays. They also had two travelogue pictures, and one speaker, the Rev. Thoren Gustafson, who spoke on "Diamonds in the Rough."

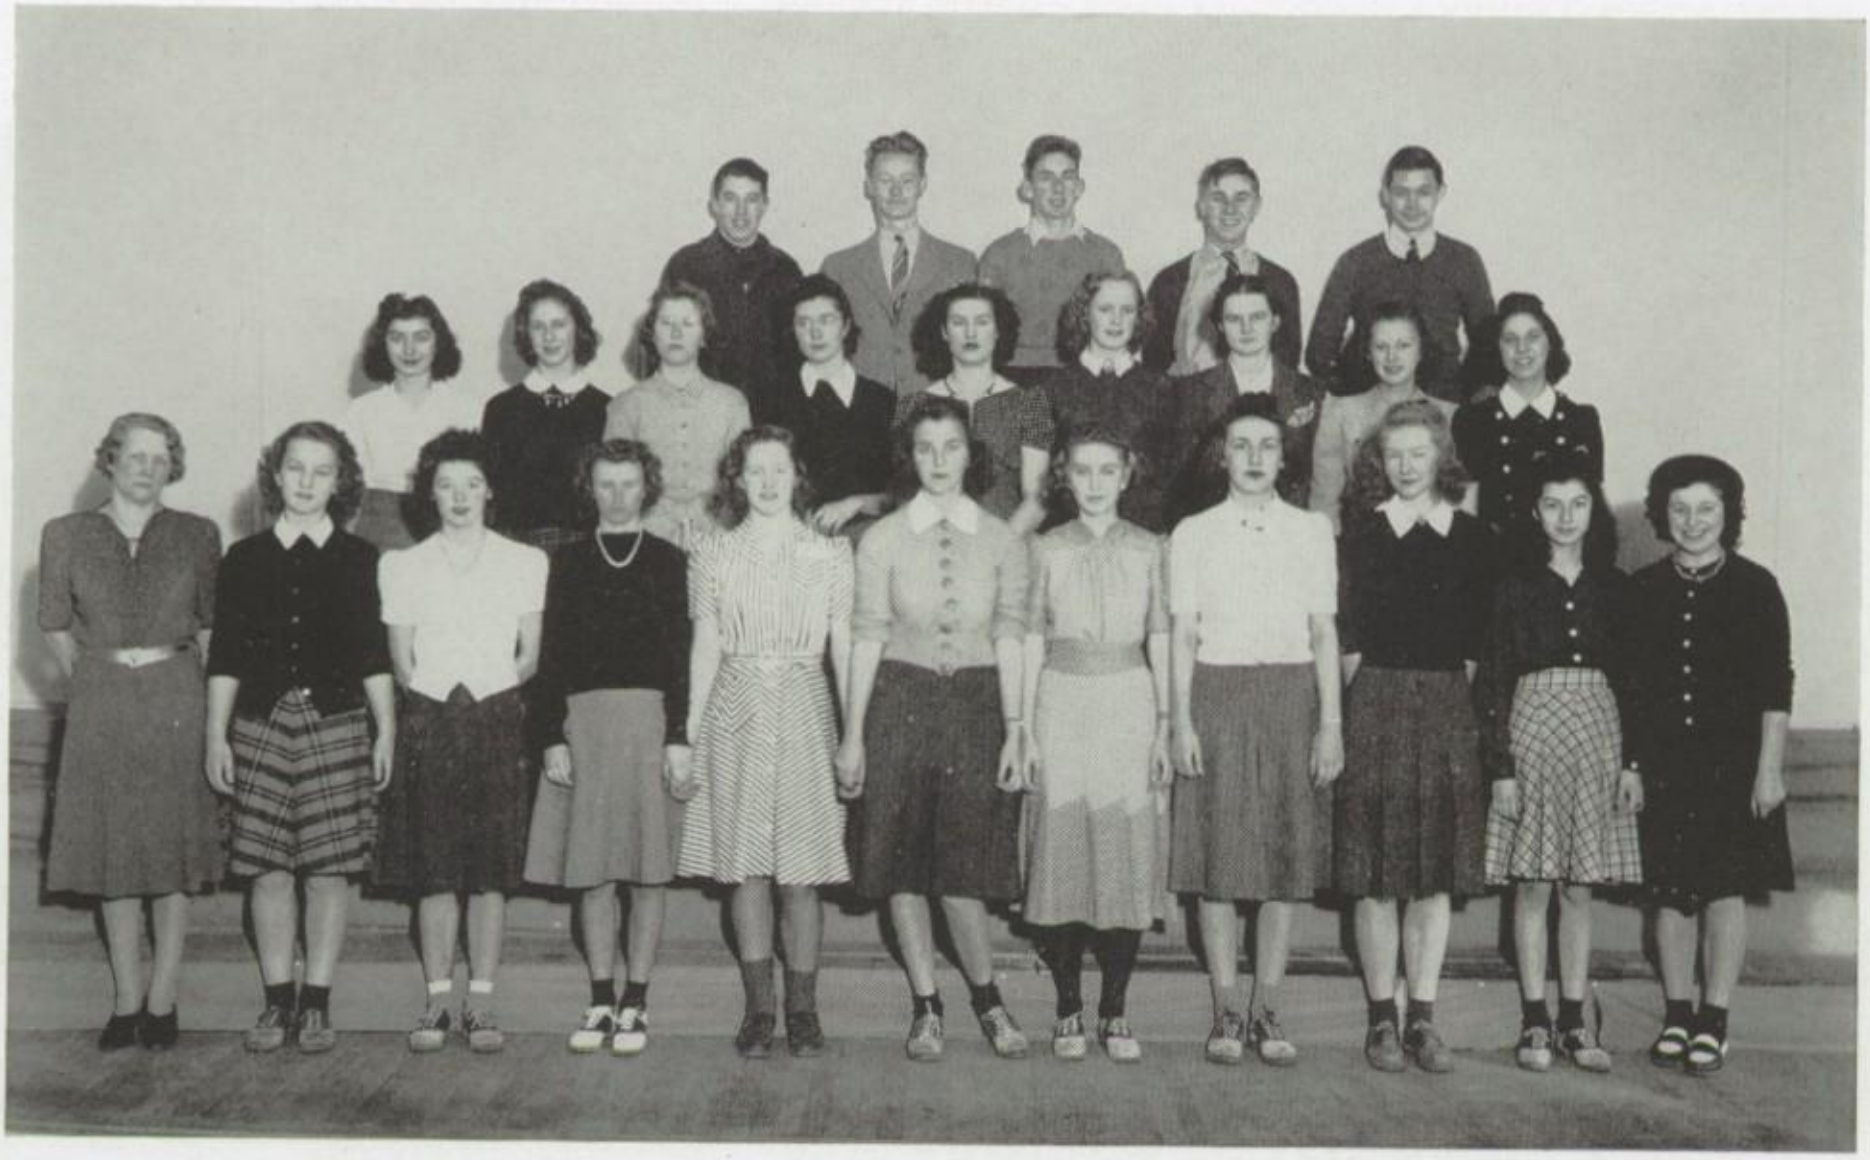
Quill Club . . . . .

The Quill Club is a new club formed this year. At first it was called the Creative Writing Club because its members could do any creative writing in which they were interested. The club was composed of fifteen members.

Meetings were held every Wednesday during the seventh period. Every week each member handed in a short story, a poem, or some other type of writing he had produced.

Members were not restricted as to the type of writing. Miss Marion Casey, the faculty adviser, and other members criticized their work.

Members profited by those criticisms and had a chance to hear the compositions of their fellow club members. Many members felt that work in the club helped them also in their English class work.



ART CLUB

First Row: Mrs. Fish, C. Hunt, M. Sonego, E. Neville, R. Muldoon, L. Hyde, P. Hollister, H. Klein, G. Fisher, S. Peperitis, D. Rota

. . . . . Art Club

The Fine Arts and Crafts Clubs, organized five years ago, was under the leadership of Mrs. Madeline Fish this year. Mrs. Fish took charge of the Art Department, in the absence of Miss Hope Henderson, who had been given a leave of absence to continue study at Pratt Institute.

An initiation party was held at the home of Mrs. Fish. New Members were added to the clubs. Both clubs, consisting of twenty-five members, met every Thursday during activity period. This enabled them to accomplish more work.

The members of the Crafts Club enjoyed making articles of craft work. Fine Arts Club had experience this year in working mainly with pastels, water colors, pen and ink, oils, and charcoal.

The two clubs took a trip to the Metropolitan Art Museum in New York, Sunday, April 27.

ADVERTISING CLUB

First Row: F. Kane, H. Sibrinsz, J. Munro, A. Olsen, R. McSherry.
Second Row: Mr. Wright, M. Nimirowski, A. Eccellente, W. Cone, W. Messier, E. Wallett.

Advertising Club . . . . .

The Advertising Club is the latest activity to be added to the extra-curricular program. Under the direction of Mr. Russell Wright it made progress in its first year of existence. The club was formed by members of the salesmanship classes who wished to supplement their knowledge of advertising.

Posters were designed and made by various members of the club to advertise SOMANHIS to the alumni at the basketball games.

Much information was obtained concerning modern advertising from topics given at the meetings. Among these were topics on trade marks, slogans, window displays, radio advertising, and advertising by means of electricity. These are being kept on file for future reference.

The highlight of the club year was a week-end trip to New York. The purpose of the trip was to visit several advertising agencies, including a well-known oil advertising agency.

. . . . . Biology Club

Through the efforts of Miss Dorothy Carr and her program committee, the Biology Club enjoyed one of its most successful years. Its greatly increased membership indicates that it is a popular club in the school. Many fine speakers representing various phases of biological work, were invited to speak before the club. Following is a list of some of the speakers and their subjects: Dr. Smith, the management of the hospital; Dr. Bushnell, public health inspection; Mr. Horace Murphy, parks and their care; Mr. William P. Quish, embalming; Mr. Chester Robinson, flying; Mr. Lathrop, forestry; Mr. Edward Murphy, druggist; and Dr. Cunningham.

RIFLE TEAM

First Row: A. Holmes, M. Leavitt, H. Manning, W. Scranton, B. Inman.
Second Row: Mr. Milbury, J. Tedford, R. Maxwell, A. Cowles, W. Carter.

Rifle Team . . . . .

One of the more recently organized teams representing M. H. S. is the rifle team. In 1938 a team was organized in the school but was later disbanded because of inability to find a range. This year, however, the team has been reorganized under the guidance of Mr. Herbert Milbury with practice held at the State Armory.

Our rifle team competed with high schools and prep schools from New Jersey, New York, Massachusetts, and Connecticut in the state tournament at New Haven and took eighth place.

In dual matches to date the team has defeated Farmington High School boys, and the Windham High School girls. Other matches scheduled and incomplete are with the following schools, Middletown, Windham High School boys, a second match with Windham High School girls, and also a match with Meriden.

The sport requires quite a bit of skill in order to compete at all; it develops steady nerves, good eye-sight, skill, and calm determination. Now, more than ever before, we find it imperative for the younger generation to understand fully the proper usage of firearms. Rifle shooting is important not merely as a competitive sport but as a key in the future defense of our nation.

Much interest has been shown by the members of the team and it seems that it will become an important activity among our sports. We sincerely hope that in the years to come interest and support will be tendered this sport.

CHEER LEADERS

First Row: C. Stavnitsky, P. Skrabacz, J. Bronke, P. Murphy, A. Olsen, E. Kleinschmidt.
Second Row: R. Kurkland, R. McSherry, Miss McRae, J. McGann, A. Drake, H. Turkington.

. . . . . Cheerleading

Our cheer leaders did a fine job at the various games this year. Garbed in colorful red and white uniforms they led the cheering sections in old and new cheers to spur on the boys.

The original squad of six members, organized under the direction of Miss Violet McRae, became the senior cheer leaders. Tryouts were held in January, at which time six underclassmen were added to the squad and later trained to be the junior cheer leaders.

This entire squad met each Thursday morning during activity period to practice the old cheers and to originate new ones.

They appeared at all home games and at several out-of-town games when transportation was available.

Through graduation the squad will lose only three members, leaving nine to return next year.

Leaders Class . . . . .

In her second year of leadership Miss Violet McRae has conducted activities in accordance with the seasons. Last year ping-pong, badminton, bowling were adopted by the students as standard sports. Of the numerous activities this year, bowling and tennis were most popular.

The Leaders Class had another prosperous year which included the traditional initiation party at the beginning of the year and a Christmas party. It also held a "Sports Play Day" in February with East Hartford, Glastonbury, and Windsor as guests, and sponsored another one in April for the Freshmen. In May the class attended a "Sports Play Day" in East Hartford, a "Swimming Play Day" in Bristol, and held a return swimming meet with neighboring schools as guests.

More girls are becoming active in the Leaders Class each year. Members of this club are taught the fundamentals of sports; are instructed how to coach, referee, and to umpire various games; and the girls are trained to take charge of gym classes. Sportsmanship, cooperation, and leadership were developed through group participation.

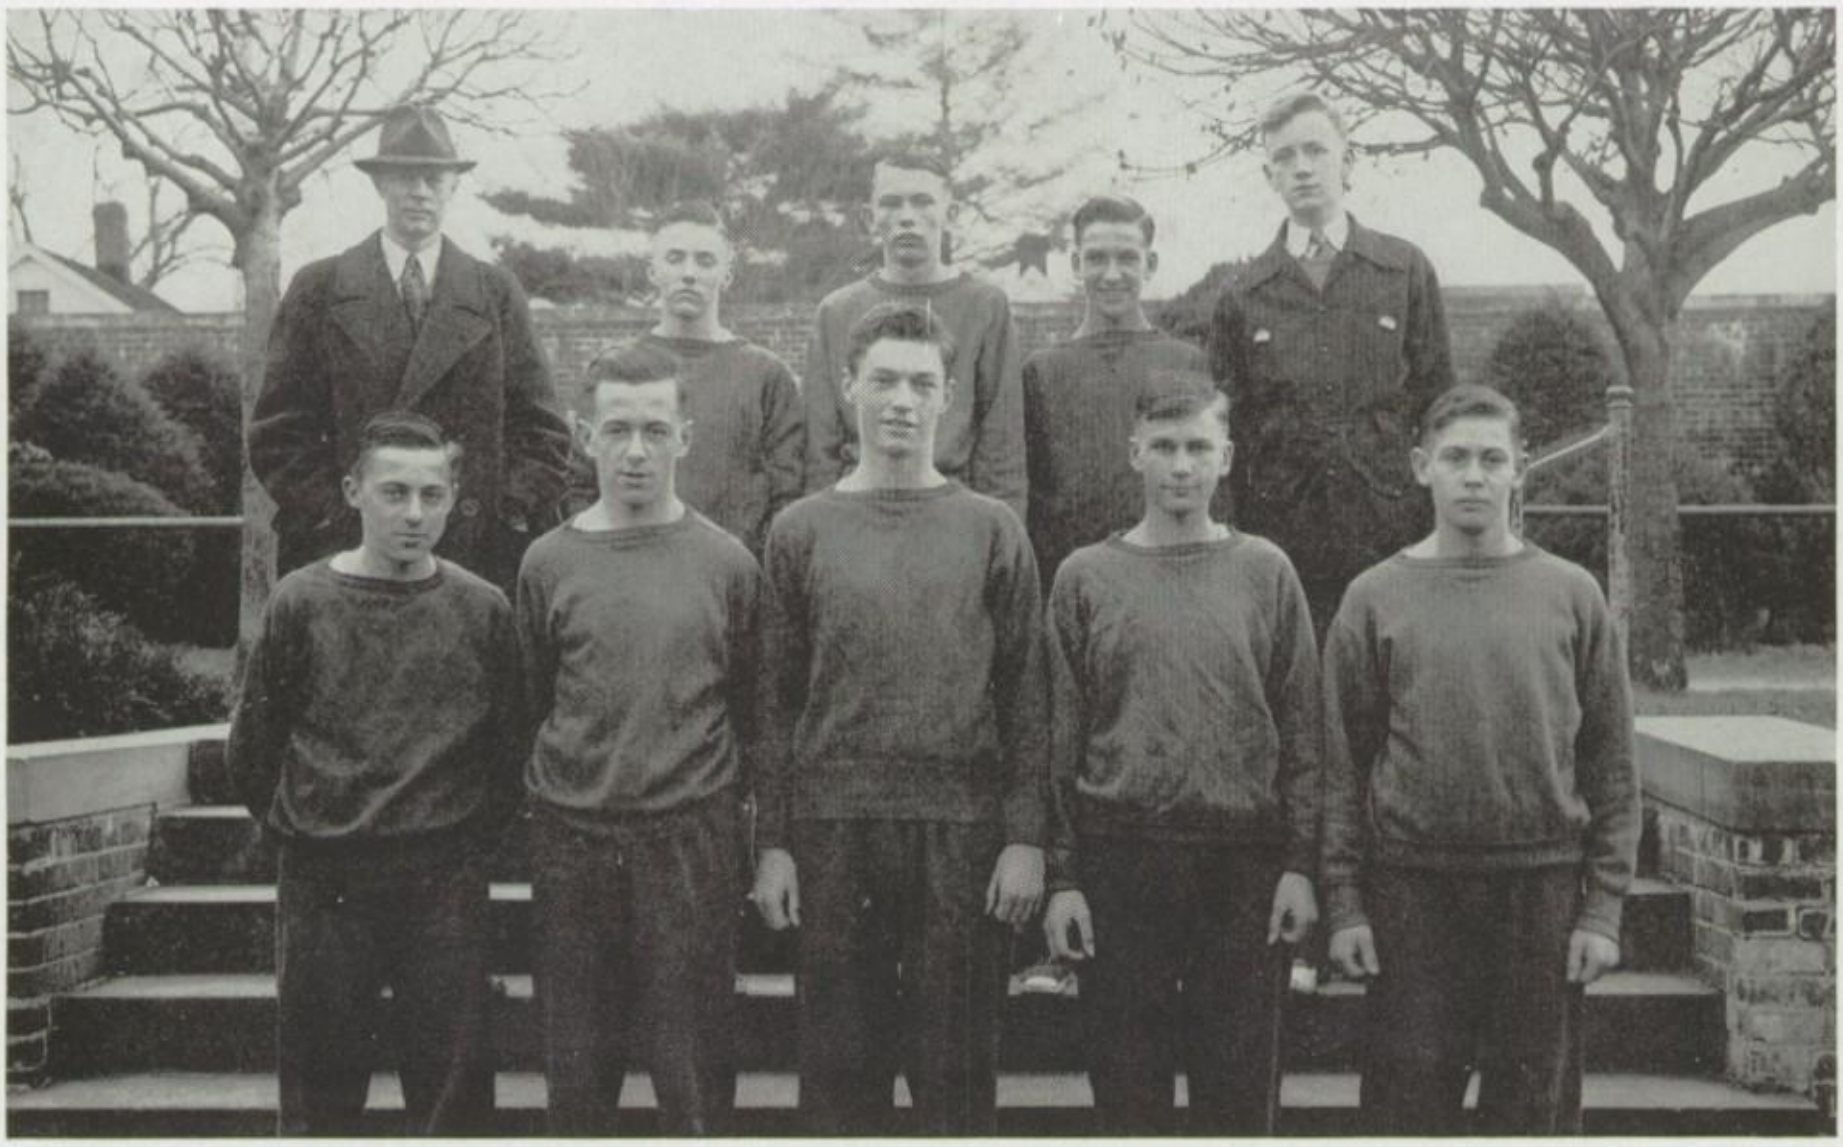
Football . . . . .

This year Mr. Thomas Kelley was again aided by Mr. Charles Hurlburt and Mr. Jesse Stevens. The Red and White were victorious over Leavenworth at Waterbury, played under lights, and Meriden by forfeit. Manchester played Bulkeley of Hartford because Meriden canceled its game.

Two highlights of the season were the games played with East Hartford and Middletown. East Hartford won by a score of twenty to twenty-six and heavily-favored Middletown won by a score of seven to six.

Although the team did not have a successful season, the boys had great spirit and fought hard in every game. The season's record was two victories and six losses for a total of eight games.

With thirteen lettermen coming back next fall, the team should have a very successful season. Next fall the squad will be called out a week before school starts to prepare for its first game with Norwich, a newcomer to the Manchester sport program.



CROSS-COUNTRY

. . . . . Cross Country

With only one letterman from last year, Manchester's Cross Country team proved very successful by winning the C. C. I. L. for the fourth time. The team was again under the leadership of Mr. Charles Wigren, who has developed many winning teams at Manchester High School.

The Red and White won four victories to three defeats. Manchester achieved victories over Plainville, Middletown, University of Connecticut Freshmen, and Bristol. The team suffered defeats at the hands of Hartford Public High School, New Britain, and Weaver.

At the State Meet held at Wesleyan the Red and White took fourth place. During the State Invitation Meet held at Storrs, the team placed third.

With four lettermen returning next fall another successful season is anticipated for the Red and White Cross Country Team.

SOCCER

Coach—Mr. Wilmot Reed *Captain*—Earl Kennedy

Manager—Henry Klien

Soccer . . . . .

Under the coaching of Mr. Wilmot Reed, Manchester's soccer team achieved a record of two wins and six losses this year.

Manchester defeated West Hartford twice and lost to Meriden, South Windsor, and Bristol twice. The last game played with West Hartford was very exciting and was not decided until the closing minutes of the game.

Again this year, like other years, South Windsor was Manchester's greatest rival, and the boys did a fine job of holding them to a low score. South Windsor took both games to a tune of two to nothing in each game.

The team finished third in the C. C. I. L., winning two out of four League games. Manchester's total points were nine compared with nineteen of the opponents.

BASKETBALL

First Row: Mr. Clarke, A. Zamaitis, E. Kennedy, E. Wilson, *mascot,* T. Davis, A. Vincek, K. Chapman, J. Bellis.

Second Row: F. Dancosse, R. Cole, R. Brown, C. Curtis, J. Tedford, R. Thomas.

Coach—Mr. Wilfred J. Clarke

Captain—Thomas Davis

Manager—Joseph Bellis

. . . . . Basketball

Manchester's hoopsters enjoyed a fairly successful season with a record of six wins and nine losses. The team was again under the leadership of Mr. Wilfred J. Clarke, who marks his twentieth anniversary this year as coach and physical director at Manchester High School.

The team defeated Middletown and East Hartford twice, and New London Bulkeley and Meriden once. Manchester's victory over New London Bulkeley revenged the defeat suffered last year at New London by our team.

During the year Manchester suffered defeats by Bristol, West Hartford, Windham, and once by Weaver, Meriden, and the Alumni. The other game against Weaver was canceled because of the soldiers in the Armory.

The longest winning streak was two victories in a row. Because Manchester failed to win half or more of its Class A games this year, it failed to qualify for the State Tournament which is held at New Haven at the end of the season. This is the first time that Manchester has missed the tournament for seven years.

During the twenty years that Mr. Clarke has coached at Manchester High he has a record of 236 wins and 142 losses.

Manager—George Evans
Captain—Sumner Cutler

Coach Charles Wigren led his charges to the State Indoor Track Title for the third time since 1933, with eight lettermen forming the nucleus for this year's team. Manchester started the season in championship fashion.

After winning the Indoor Title, the High trackmen finished fifth at the Connecticut Relays. The University of Connecticut Freshmen provided the opposition for the next meet, and the local stalwarts came out on top by a score of 54-50.

Due to injuries, the local team dropped a close meet to Norwich, 54-48. Five meets remained after May 9, namely, Weaver, West Hartford, Middletown, Hartford Public, and Bristol. The Red and White will seek to defend their C. C. I. L. Title which they have won six times in succession.

SWIMMING

Coach—Mr. Nathan Gatchell

Captain—Bob Turkington

. . . . . Swimming

The duties of Mr. Nathan Gatchell as coach of the swimming team were discontinued for one year. Mr. Gatchell was given a leave of absence to serve in the United States Army as a first lieutenant. He is succeeded for a year by Mr. Wilmot Reed, soccer and tennis coach.

The swimming team had a very successful season winning four out of eight meets. The tankmen took first place in the C. C. I. L. Manchester was victorious over Bristol, Meriden, Weaver, and the University of Connecticut. They were defeated by New Haven, Hartford Public High School, Bassick, and Crosby.

The highlight of the season was the defeating of the University of Connecticut Freshmen by 43 to 32. This is the first time in seven years that they have been defeated by Manchester.

The team placed fifth in the state meets. There were many promising underclassmen on this year's team which will make up for the men lost through graduation this year.

Off to a slow start the defending state baseball champions under the leadership of Mr. Thomas Kelley won only two of their first six games, but improved as the season progressed.

After losing to Middletown two to one, West Hartford ten to one, Bristol eight to five, and Trade School five to four, Manchester defeated East Hartford four to three and gained revenge over Middletown by a score of seven to one.

The team has also played games with Meriden, Trade School, East Hartford, West Hartford, and Bristol.

Tennis . . . . .

Coach—Mr. Wilmot Reed
Manager—J. Petrowski
Captain—Joseph Urbanetti

With three lettermen returning, Mr. Reed is looking forward to a successful season next year.

Bristol, West Hartford and Loomis were the greatest rivals in the league competition. Two new opponents to the schedule include Weaver and Hartford Public, defending champions.

Manchester has lost to West Hartford three to two, and Hartford High seven to nothing, but they defeated Middletown five to two. The team played one match each with Middletown, West Hartford, and two with Weaver, Bristol, and Meriden besides the State Championship at the University of Connecticut.

. . . . . Golf

Coach—Mr. Russell Wright
Manager—Frank Zimmerman
Captain—Robert Arendt

The Manchester High School Golf Team was continued this year under the coaching of Mr. Russell Wright. The team lost to Bristol eighteen to one, Newington sixteen to nothing, and to Hartford Public seventeen to one, and defeated Bristol eighteen to one.

The team played games with Hartford Public, Bulkeley, Bristol, Newington, Farmington, and West Hartford during the course of the year.

Manchester defended the C. C. I. L. Title which they won in 1940.

GREETINGS AND GOOD WILL

We wish to take this medium to extend to you — and through you, to your parents, our heartiest congratulations — this is indeed a proud day for all of you.

But this is also a time when a good many of you will have to leave home "perhaps" and try to make a place for yourself in the world. May your aspirations — and the hopes of your parents come through. Honor your parents — then you will honor the school that graduated you and your City and Country will be proud of you.

WE WISH YOU SUCCESS

surprising thing to us

us later. Whether you remember

NORTHEASTERN UNIVERSITY

College of Liberal Arts

Offers young men a broad program of college subjects serving as a foundation for the understanding of modern culture, social relations, and technical achievement. The purpose of this program is to give the student a liberal and cultural education and a vocational competence which fits him to enter some specific type of useful employment.

College of Business Administration

Offers young men a college program with broad and thorough training in the principles of business with specialization in Accounting, Journalism, Banking and Finance, Public Administration, Industrial Administration or Marketing and Advertising. Instruction is through lectures, solution of business problems, class discussions, motion pictures and talks by business men.

College of Engineering

Provides young men complete college programs in Engineering with professional courses in the fields of Civil, Mechanical (with Diesel, Aeronautical, and Air Conditioning options), Electrical, Chemical, Industrial Engineering and Engineering Administration. General engineering courses are pursued during the freshman year; thus the student need not make a final decision as to the branch of engineering in which he wishes to specialize until the beginning of the sophomore year.

Co-operative Plan

The Co-operative Plan, which is available to upperclassmen in all courses, provides for a combination of practical industrial experience with classroom instruction. Under this plan the student is able to earn a portion of his school expenses as well as to make business contacts which prove valuable in later years.
